SNOWBALL DANCE

This is often done in concordance with the Wedding Party Dance. Each time the music stop, everyone dancing has to select someone seated and bring him or her to the dance floor. We continue to do this until the floor is full. This is a great way to get the party started.

ENTERTAINMENTS

These are group activities like the Hokey Pokey and Chicken Dance. We can also perform "skits" such as The Temptations or YMCA using the Wedding Party or other guests. These Entertainments are used as "ice-breakers" to get everyone involved. They are done at your discretion.
